**GEOLOGICAL PROCESSES IN  
THE LITHOSPHERIC PLATES  
SUBDUCTION, COLLISION,  
AND SLIDE ENVIRONMENTS**

September 19 – 22, 2023

Vladivostok, Russia

## Dear colleagues!

The 6<sup>th</sup> All-Russian Scientific Conference with International Participation on “Geological processes in the lithospheric plates’ subduction, collision, and slide environments” will be held in Vladivostok on September 19–22, 2023.

### The main directions of the scientific conference:

The conference will discuss various aspects of active lithospheric plate boundaries. The conference will cover geological processes of subduction, collision and slip of lithospheric plates: tectonics, magmatism, metamorphism, sedimentology, and ore formation.

### Conference session titles:

**Session 1.** Geological structure, stratigraphy and lithology of subduction, collision and slip zones of lithospheric plates and dynamics of their interaction.

**Session 2.** Magmatism and metamorphism in subduction, collision and slip of lithospheric plates.

**Session 3.** Ore formation at the boundaries of subduction, collision and slip of lithospheric plates.

### Conference venue

All conference events will be held at the Far East Geological Institute of the Far Eastern Branch of the Russian Academy of Sciences (FEGI FEB RAS) located at: Vladivostok, Prospekt 100-letiya Vladivostoka, 159.

### Directions

#### From the airport to Vladivostok

Guests can get to the city center from Vladivostok International Airport by bus (direct trip or with a change at Artem bus station), Aeroexpress or taxi. Travel time from the airport to the city center is 40-60 minutes. More information about how to get to Vladivostok can be found on the airport's website: <https://vvo.aero/passengers/transport/>.

## Accommodation of participants

**Conference participants need to book their own accommodation** in one of the hotels in Vladivostok.

The scientific sessions of the conference will be held at the Far East Geological Institute of the Far Eastern Branch of the Russian Academy of Sciences.

The Institute is located in Akademgorodok, a suburb of Vladivostok.

You can get there by bus #1, 24, 28, 34, 42, 44d, 45, 59, 64, 102, 103, 104, 104, 105, 108, 110, 111, 114 to the stop "Akademicheskaya".

You can also take the electric train to the station "Chaika".

The nearest districts of Vladivostok city to the conference venue are *Fabrika "Zarya", Vtoraya Rechka, Avtovokzal, Bagrationa, Postysheva, Stoletiyе*.

More remote areas are *Pervaya Rechka, Nekrasovskaya Street area, Tretya Rabochaya Street, City Center* (there are a lot of hotels, inns, and hostels in the city center).
